Dear Mr. Shah

Thank you for your e-mail to Mr. Yuen - Chuan Chao, President of TAITRA, of June 18 regarding the introduction of your esteemed company. It has been forwarded to me for reply.

We are very pleased to learn that you successfully assisted Taiwan based Everpads. Co. Ltd. with setting up a branch office in Mumbai. We have kept your company profiles in our Trade Data Library as a reference to any Taiwanese companies interested in investing in India.

We wish you and your firm every success.

Best regards,

Peter W.J. Huang
